

Invoice PDFs → Structured Spreadsheet

Watches an incoming folder for new invoice PDFs, extracts vendor/amount/due date, checks for duplicates, and appends the results to a master Excel file — no manual data entry.

Invoice PDFs → Structured Spreadsheet

```
[09:14:02] Watching folder: /invoices/incoming
[09:14:03] Found 18 new PDF files
[09:14:05] Extracted vendor, amount, due date from 18 files ✓
[09:14:06] Cross-checked against duplicate list – 0 duplicates ✓
[09:14:07] Appended 18 rows to Master_Invoices.xlsx ✓
[09:14:07] Done – 18 invoices processed in 4.8s
```
