

Daily Sales Report → Auto-Emailed PDF

Runs on a schedule, queries the previous day's sales data, builds a formatted PDF report, and emails it to the team — zero manual report-building.

Daily Sales Report → Auto-Emailed PDF

```
[06:00:01] Connected to sales database
[06:00:02] Queried yesterday's transactions (312 records)
[06:00:04] Calculated totals, top products, regional breakdown ✓
[06:00:06] Generated PDF report (4 pages) ✓
[06:00:07] Emailed to 5 recipients ✓
[06:00:07] Done — report delivered in 6.1s
```
